

# Maple Syrup Production Program

Feb. 3, 2011 — 6:00 to 8:00 p.m.

Guernsey County Extension Office  
on the fairgrounds, Old Washington

Would you like to learn how to make real maple syrup?

Dr. Gary Graham is an expert in the production of maple syrup and will cover everything you need to know and where to get the equipment to make your own.

This program is designed for landowners who are interested in small scale syrup production.

Cost: \$10 per person

For more information contact:  
Clif Little, OSU Extension, at 740-489-5300  
(Guernsey) or 740-732-5681 (Noble County)
