

Using 4-H Online - Returning Members

4-H Enrollment deadline is April 1st!

Ohio 4-H uses the 4-H Online system to manage all aspects of the 4-H program, including membership, events, projects, activities, and communications. All youth and adults who participate in Ohio 4-H have a 4-H online profile.

Completing your 4-H online enrollment is easy and only takes a few minutes. 4-H online profiles are family-based, which means every family has a “master” profile for each family involved in Ohio 4-H. A family profile may contain both youth and adults:

Youth family members (ages 5-18 as of January 1)

- Eligibility for Cloverbud participation begins when a child is age 5 **and** enrolled in kindergarten.
- Eligibility for Club Member participation begins when a child is age 8 **and** in third grade. Any youth age 9 or above is eligible for project membership, regardless of grade level.

Adult family members (ages 18 and older)

- Adults who have been screened and certified as Ohio 4-H Volunteers can re-enroll
- Adults who want to become certified Ohio 4-H Volunteers must complete the OSU Extension Guernsey County online volunteer application and submit it by January 31. A 4-H Online profile will be created by OSU Extension. If approved as a volunteer, the new volunteer enrollment will then be approved.

Not every Family profile will contain all the above listed types of members. Some profiles may contain only youth members, while others will have only adults. Some profiles will have both. Once a family profile is created, it will exist for as long as members of that profile are involved in the 4-H program. New members may be added to the family profile at any time and members who are no longer involved in 4-H may be archived.

If someone in your family was involved in Ohio 4-H from 2015-Sept 2023, you already have a family profile in 4-H online. **If you did not complete 4-H in 2023, you will be archived in 4-H Online. Therefore, you will need to contact the Extension Office at 740-489-5300 to be re-activated before you will be able to log-in and complete your enrollment.** Returning families will not be permitted to create a new family profile.
