7. Participation in the Junior Fair is an optional activity.
8. All livestock must arrive on the fairgrounds to be housed in their assigned location from 8:00 a.m. – 10:00 p.m. on Sunday, September 8th, unless a specific check-in time is listed in the specie rules. 9. Participation in two counties is permitted by youth exhibiting 4-H projects in one county and FFA projects in another county provided the youth are exhibiting different projects and using different animals in each county. 10. All animals exhibited must have been completely and fully owned (as evidenced by a bill of sale or registration papers where applicable) including all showing rights and in the complete possession and continual care of the exhibitor on and after June 1. Any violations of this rule would warrant withholding of premiums won and exemption from showing at the Guernsey County Fair.
20. Tampering, misrepresentation, falsification, fraud, or deception in relation to any junior fair project, project animal, paperwork, or actions by a junior fair exhibitor or member of their household will not be tolerated and violations will result in consequences to be determined by Senior Fair Board.

Members removing exhibits before the designated time without Senior Fair Board approval are not permitted to exhibit in that project area the following year.
22. Animal release time will be 6:00 a.m. on Sunday for all animals not sold through the Junior Fair Livestock Sale. No trailers are permitted at the barns before 6:00 a.m. If an exhibitor removes his/her Junior Fair livestock project from the fairgrounds before release time without approval from the respective Junior Fair Livestock Committee Chair or Senior Fair Board, he/she will be barred from showing in that project area at the Guernsey County Junior Fair for the following year.
