Stalling of the animals may not be with the exhibitor's club.
7. Participation in the Junior Fair is an optional activity.
8. All livestock must arrive on the fairgrounds to be housed in their assigned location from 8:00 a.m. – 10:00 p.m. on Sunday, September 8th, unless a specific check-in time is listed in the specie rules. Exceptions include beef, goat, poultry, rabbit, sheep, and swine which require animals to be in place earlier. Still projects must be in place by 4:00 p.m. Sunday.
9. Participation in two counties is permitted by youth exhibiting 4-H projects in one county and FFA projects in another county provided the youth are exhibiting different projects and using different animals in each county. The only other stipulation about projects is that exhibitors who sell market animals or receive Junior Fair sale proceeds at another

county/independent junior fair are ineligible to show or sell market animals at the Guernsey County Fair or receive proceeds from the Guernsey County Junior Fair Livestock Sale in the same year.

10. All animals exhibited must have been completely and fully owned (as evidenced by a bill of sale or registration papers where applicable) including all showing rights and in the complete possession and continual care of the exhibitor on and after June 1. A few exceptions are listed specifically under specie rules. Registered animals must be in exhibitor's name or permanent residential address of the exhibitor.

To receive QA Certification using this option, youth must complete and successfully pass their age-appropriate session and provide the Extension Office with their certificate of completion by July 1 of the year to exhibit. No other online Quality Assurance programs or tests are permitted. OSU Extension will provide instructions for taking the online course to those eligible, upon request.

13. All animals in the barn for Junior Fair must be enrolled in a class and shown. The only exception is if animal is granted an excuse from showing by the fair veterinarian, Livestock Committee Officer, or 4-H Extension Professional for a special circumstance. NO companion animals.
14. All exhibits must be shown by the member entering the exhibit. In livestock **showmanship** classes, the exhibitor must show their own animal. A livestock exhibitor, who has a justifiable absence from the **type** show, may have another Guernsey County Junior Fair livestock exhibitor show his/her project in **type** class only with permission granted by the appropriate Junior Fair Livestock committee chairman before the show.

If the situation is not resolved to the satisfaction of the Junior Fair Committee Chairman & Sr. Fair Board representative, the exhibitor will be required to take the animal home. Harassment, profanity or unsportsmanlike conduct toward fair officials, judges, show manager, help, or exhibitors will not be tolerated. Any violations of this rule would warrant withholding of premiums won and exemption from showing at the Guernsey County Fair.
20. Tampering, misrepresentation, falsification, fraud, or deception in relation to any junior fair project, project animal, paperwork, or actions by a junior fair exhibitor or member of their household will not be tolerated and violations will result in consequences to be determined by Senior Fair Board.

Members removing exhibits before the designated time without Senior Fair Board approval are not permitted to exhibit in that project area the following year.
22. Animal release time will be 6:00 a.m. on Sunday for all animals not sold through the Junior Fair Livestock Sale. No trailers are permitted at the barns before 6:00 a.m. If an exhibitor removes his/her Junior Fair livestock project from the fairgrounds before release time without approval from the respective Junior Fair Livestock Committee Chair or Senior Fair Board, he/she will be barred from showing in that project area at the Guernsey County Junior Fair for the following year.
