

2023 Guernsey County Junior Fair Livestock Entry Instructions

Overview

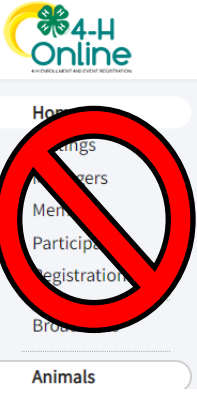

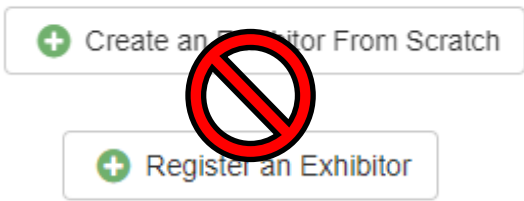

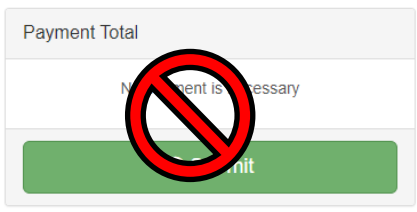

- All 4-H and FFA youth **must** complete livestock entries in order to exhibit in the Guernsey County Junior Fair. **THIS IS NOT FOR OPEN CLASS ENTRIES.** This is a separate entry from the 4-H/FFA project enrollment due April 1 or any pre-fair tag requests made earlier this year. **This entry must be completed to enter your 4-H /FFA project animal in a class and reserve stall space for them.**
- Livestock entries must be submitted online in FairEntry (<http://guernseycountyjuniorfair.fairentry.com>) **before AUGUST 1st at 11:59 p.m., NO EXCEPTIONS.** You can use a computer or mobile device, but a computer is recommended. If you use a mobile device, use in landscape mode.
- Fair Entry will open July 24 for all entries.
- **Create ALL entries for ALL family members before proceeding to the payment section.** Please note: no payment is required, but you must complete the payment section of the entry process and **be sure to click the “Submit” button** to submit your entries. Double check that entries are correct before submitting your entries.
- **If you have questions, ask!** If you have questions, contact Michelle Fehr at the Extension Office at 740-489-5300 or via email at fehr.19@osu.edu. Questions will be answered during **regular business hours (M-F, 8:00 a.m.- 4:30 p.m.)**. If you are working on entries outside business hours, email your questions to fehr.19@osu.edu and they will be responded to in the order received.
- **DO NOT WAIT UNTIL THE LAST DAY TO START!**
- If you find an error on an entry, **email the correction needed to fehr.19@osu.edu by AUGUST 1st.**

General Tips

- **Each ANIMAL to be exhibited requires a separate entry**, with the following exceptions:
 - **Beef** - Exhibitors entering Beef Breeding Cow/Calf Pair or Beef Group classes will add multiple animals to the same entry.
 - **Dairy** - Exhibitors entering Special Classes will add multiple animals to the same entry.
 - **Equine** - Exhibitors will select all classes to be entered under one horse in the same entry. Exhibitors will select all of the classes for the animal on the right-hand side under “Lot”. Then, on the left-hand side, select the “Club” and “Add Animal” that correspond with the selected classes. Be sure “Enter a single animal” is selected. Repeat this process if entering an additional horse.
 - **Poultry** - Exhibitors only need to complete one entry per market pen, even for birds that exhibit in pens of 2 or 3. Exhibitors will enter “1” for all market pen tag #. Tag numbers will be updated at fair by staff after animals are identified during Poultry Check-in. If you have more than one pen, you will need to complete an entry for each pen.
 - **Rabbit** - Exhibitors only need to complete one entry per fryer pen of three. Exhibitors will enter “1” for all market pen tattoo #. Tattoo numbers will be updated by staff after animals are identified during Rabbit Tattooing in August. If you have more than one pen, you will need to complete an entry for each pen.
- **Each back-up animal requires a separate entry, except for horses.** If exhibitors have a back-up animal that may be selected to come to the fair, it must have an entry completed for it. An animal will not be eligible for exhibition if it is not entered by the August 1 deadline. **Youth are still limited to exhibit the number of animals permitted to show per class.**
 - **Breeding Animals** - Many class rules limit the number of entries per class by an exhibitor at fair. Exhibitors may enter an extra animal if they are uncertain which will be brought to fair to show.
 - **Market Animals** - For example, you can only exhibit two market goats, but you complete 3 market goat entries (*2 animals to exhibit + 1 back-up animal = 3 animals entries completed*).
 - **Equine** - **DO NOT COMPLETE AN ENTRY FOR YOUR BACK-UP HORSE.** Use of a back-up animal requires an approval process.
 - **Swine** - Exhibitors within the same household who pre-registered all market hogs to the household are permitted to enter each market hog under each exhibitor. For example, your household tagged five market hogs for two exhibitors. Each exhibitor can enter each of the five hogs. The specific hog(s) each exhibitor is showing will be designated before they cross the scale at fair weigh-in.
- **Bred & Owned class requires a separate entry.** If exhibitors want their market animal in a Bred & Owned class, they must enter their animal in that class with a separate entry from the market class entry. Entries will be verified with designations made at pre-fair weigh-in, tagging, or tag pick-up earlier this year.

Common Mistakes to Avoid

DO NOT WAIT UNTIL THE LAST MINUTE TO COMPLETE ENTRIES. IF YOU HAVE ISSUES OR YOUR ENTRIES ARE INCORRECT, YOU JEOPARDIZE THE OPPORTUNITY TO EXHIBIT AT THE FAIR.
