

SPOTTED KNAPWEED PROGRAM

Available Through RCPP and the USDA:

To those of us in Noble and Guernsey County fighting against Spotted Knapweed, the time is here for help in dealing with this noxious weed. Many of us know how this fast spreading weed has taken over pasture and hay fields throughout both counties. Now there is funding available to help fight this battle. Sign up deadline is **October 19th, 2018**. Call now and get started in winning back your hay and pasture fields.

USDA is an Equal Opportunity Provider, Employer, and Lender
