Guernsey County Agriculture News

Winter 2024

Dear Friends,

I hope this winter is progressing well and you enjoyed the holidays. In this newsletter are some upcoming trainings and programs I hope you will find useful. Look forward to seeing you at one of the many winter events. Stay safe and call if I can do anything for you!

Sincerely,

Clif Little

OSU Extension Guernsey County, Agriculture and Natural Resources

Private Pesticide Applicator Re-Certification & Fertilizer Re-Certification Sessions

The Guernsey and Noble County OSU Extension office will be hosting pesticide and fertilizer re-certification sessions **January 25th**. Pesticide recertification sessions will cover 3 credit hours for Private applicators in Categories (Core, 1, 2, 3,4, 6) and 1 hour credit for Fertilizer Re-certification (Category 15).

Fertilizer re-certification starting at 5 pm, and pesticide re-certification starting at 6 pm.
Classes will be held at the Deerassic Park Education Center
14250 Cadiz Rd., Cambridge, OH 43793. To register, please call the Guernsey county Extension office at 740-489-5300.

You may attend re-certification at any location in the state of Ohio. Additional times and locations around the region can be found at: <https://pested.osu.edu/privaterecertification>.
Please bring your license to re-certification.

If you have questions regarding your license, contact the Ohio Department of Agriculture (ODA) at 1-800-282-1955. Call the Extension Office at 489-5300 if you have questions concerning re-certification.

SMALL FARM FINANCIAL COLLEGE

& Beginning Farmer Certification

THE OHIO STATE UNIVERSITY
EXTENSION

This college is designed to help landowners examine potential ways to increase profits on their small acreage properties. The program is open to all new or aspiring farmers, new rural landowners, small farmers, and farm families looking for new ideas.

During this college, participants will be challenged to develop realistic expectations for their new farm business. They will receive information on getting started, identifying the strengths and weaknesses of their property, and developing a farm business plan. Information on farm finances, insurance, liability, labor and marketing will be covered during the college.

Session Breakdown

Tuesdays 6-8:30PM

Session I: Getting Started on Your New Farm Business

January 16 @ The Pike 40, Belmont, OH

- Developing real-life expectations for your farm
- Assessing your property and resources
- Developing a mission and goals for your farm
- Developing a farm business plan
- Farm business structures

Session II: You Can't Measure What You Don't Track. Recordkeeping, Budgets and Taxes

January 23 @ Black Sheep Vineyard, Adena, OH

- Recordkeeping for farm business
- Using enterprise budgets to project farm income
- Developing cost of production projections
- Introduction to farm taxes

Session III: Money, Money, Money! Managing Your Small Farm's Finances

January 30 @ Christopher's Farm Goods, Cadiz, OH

- Developing a farm and family balance sheet
- Cash flow statements
- Other financial statements- income statements and cash flow
- Managing family & farm income and expenses

Session IV: The Legal Side of Farm Financial Management

February 6 @ Deerassic Park, Cambridge, OH

- Legal instruments for farm financing
- Loan options for small farms
- Farm leases and contracts
- Overview of risks on the farm
- Liability insurance

Registration Form

You can also register online at
go.osu.edu/2024eohsmallfarm

Space: Limited to first 30 registrants per location

Registration Deadline: Friday, January 12

Send forms with checks to OSU Extension, 500 Market St., Suite 512, Steubenville, OH 43952. Visit go.osu.edu/jeffersonextensionpayment to pay with a credit card.
